1. Question: Will the low bidder be held to using "only" the subcontractors submitted at the time of the bid, listed on the subcontracting plan on pages 29 & 30, or can the low bidder submit different proposed subcontractors after the bid opening if so desired?

Answer: Subcontractors to the low bidder announced at the bid opening may be substituted at a later date, without change to the lump sum bid, and subject to CUNY and RCDolner prior approval.
